

Collect Indian Stamps

<https://www.indiamart.com/collectindianstamps/>

We are one of the leading **publishing houses** in the field of **philately**. We offer **Yearbooks, Children's Books, Albums, Special First Day Issues, Collector's & Annual Packs**, among others.

About Us

Incorporated in the year 2001 and based in New Delhi, “**Collect Indian Stamps**” is a reputed and reliable organization involved in designing and manufacturing philatelic products. Our products include a number of philatelic accessories such as albums and delux collector's pack are designed and other allied products. Developed by utilizing latest printing and cutting age technology. Our products are widely acclaimed for their elegant design and excellent print quality. We have developed an advance manufacturing unit that helps us to execute every task proficiently and efficiently. In our endeavour for redefining quality of our products, we constantly push our limits beyond the expectations to exceed the aspirations of our esteemed customers. For this, we regularly upgrade our technological abilities and utilize ultra modern machines in our process. Our organization has grown tremendously under the dynamic leadership of our mentor, **Mr. Narendra Kumar**, who hold decades of expertise in the domain. It is owing to his wide experience and industry knowledge, we have become the most trusted manufacturers in such a limited time span. **We are looking for Delhi & foreign queries only.**
