About Us

Windsor shelters has been creating strong foundations for almost 2 decades, have experience, conceiving, developing, constructing and managing varied projects. At windsor shelters, we have consistently kept ourselves abreast of the times. Being proactive to changing scenarios and perceptions has helped us create a loyal customer base in our residential and commercial projects. windsor shelters such strong teamwork, dedication and sheer hard work have ensured that we have won a major industry award every year since the day we started. For us, this is just the beginning. the philosophy is to nurture the human and material resources to accomplish lasting creations, in the least turnaround time, utilizing the best methods, materials and modern equipment. Windsor shelters lives up to the maxim: enduring relationship with vendors, suppliers, contractors, architects, interior designers, bankers, financial institutions and private equity partners, and above all their customers!.
