About Us

ARKVAN is an educational partner registered under the "Educate Pan India Program" of CANDLE, a registered NGO (a sister concern of StrataPro) working towards imparting quality education since by industry veterans who believe in the motto Imparting Education for Liberation.

In continuation of their education programme, ARKVAN has entered into a "TECHNICAL COLLOBRATION" for imparting REGULAR DEGREE PROGRAMME with MANONMANIAM SUNDERNAR UNIVERSITY, Trirunelveli, Tamil Nadu, under their Private Knowledge Partnership Programme.

We Do The Following

University Affiliation

We support and manage your projects ranging from the establishment and assessment of specific academic programs, university affiliation to the full-scale design of institutions of higher education. We have the tieups with Indias leading universities and we assist upcoming institutions to get affiliation from these universities to impart the more flexibility in operations & quality in education

Distance Learning

As the number of institutes providing distance distance learning courses are continuously proliferating, in this section, we have tried to cover two very important topics- Distance Learning in India and Distance Learning Abroad. We provide the students and institutes with best distance learning courses we can.
