About Us

An ISO 9001: 2008 and ISO/TS 16949:2002 Certified Company, **Global Industrial Corporation** has carved a niche as a Supplier in the competitive market. We are among the trusted sources to get the best Electronic Appliances, Compressor Spare Parts, Industrial Hand Tools, Industrial Valves and Industrial Power Tools. Apart from this, we are a credible Service Provider, rendering premium Repairing Services for Underground Power Cable and Maintenance Services for Cummins/Ashok Leyland Engines. Our capability to understand the specific needs of the clients and deliver the products accordingly has helped us to emerge as a winner in the market.

Established in 2013, in Cuttack (Odisha), owing to the expansive 32-year-experience of the Proprietor **Mr. Rabinarayan Mishra** (MBA), we have gained a strong foothold in the market. We have got excellent contacts with the Public Sectors Plants and Large Scale Plants in India.

Apart from this, we are a credible service provider in Pin Pointing the exact fault in Underground Power Cable, both LT and HT Cables through our Surge Generator. We also provide Spares and Services for BEML Dozers, Cummins/Ashok Leyland Engines. We also supply Unbrako USA make Nuts & Bolts, Valve Testing Machines, Power Hacksaws, Surface Grinders, Cable Trays, Conveyor Belt and its accessories like Rollers, Idlers etc.
