

Avisor India Private Limited

We established ourselves as the leading manufacturer, exporter and supplier of optimum quality Herbal Extracts. Our product range is the most comprehensive in the world with our global sourcing of rare and exotic materials.

About Us

We **Avisor Herbals (a division of Avisor India Pvt Ltd)** established in the year **2013** are the leading manufacturer, supplier and exporter of **Herbal Extracts**. Our range comprises of Aloe Vera Extract, Colchicine Extract and Neem Extract. These products are tested under the quality controlling department of our company which is facilitated with latest technology, tools and equipment of quality testing. With their diligent efforts, we have placed ourselves amongst the renowned organizations in this domain. We export our products in **All over the world**. As a quality-oriented organization, we believe in offering only excellent quality and highly effective products to our valued clients. It is perfectly segregated into various departments such as production, research and marketing, quality controlling and many more. We have a wide variety of pack sizes to meet all of your specific needs, large or small. We are a customer-friendly company that constantly focuses on attaining client satisfaction in the best possible manner. Our production laboratory is well-equipped with all the modern machines and cutting-edge technologies requisite for processing a quality-assured range. Under the determined leadership of our Proprietor, "**Mr. Sameer Narang**", we have already created a special position of pride in the industry. His rich experience and knowledge in pharma industry guides our industry experts to provide highly effective...
