

Tirupati Earth And Project Works Private Limited

Provider of mass earthwork in embankments & construction, quarrying & crushing jobs, cement concrete jobs etc.

About Us

Incorporated on 12th October 2009 having it's Registered Office at **3, Sadashiv Properties, Katras Road, Dhanbad - 826001 (JHARKHAND)**, Formerly founded by Mr. Lakhmir Singh Sabharwal as M/s Tirupati Roadways that catered primarily to Transportation and Mining activities, the business flourished due to the extensive business acumen and experience of its mentor over forty years in the field. During the early nineties it was diversified to include Road Works, Earthwork in Embankments and various civil contracts with prestigious Steel Plants and Construction companies of repute. The company has worked for major 'A' Grade Establishments and always strived to improve the benchmark further.
