About Us

BharatBenz symbolizes the harmonious confluence of the values, ideologies and spirit of India with the lineage of invention, innovation, and engineering excellence that have led to generations of Daimler's global leadership. BharatBenz is committed to be an integral part of the advancement of the Indian economy by providing commercial mobility solutions that will accelerate the progress of business in India. In 2012, BharatBenz embarked on our journey in India with one definite promise- Transform the Indian Commercial Vehicle Industry. Today, the BharatBenz range of 9-49 Tonne trucks have redefined how trucks are used in India-

- High engine power and high fuel efficiency are now part of the same package
- Deliveries are faster and always on time
- Customer service is proactive and world-class
- Customer profitability is always at a high

With the new range of modern 9 Tonne buses, BharatBenz is now determined to make buses the preferred mode of transportation in the school, staff and tourist transport. The travel experience for the Indian traveller and the way of work for the bus operator are set to be transformed through creation of new levels of comfort, reliability and most importantly safety.
