We, Indian Coach are confidently pleasing the clients with a wide range of City Buses, School Buses, Mini Buses, Election Buses, Ultra Luxury Grand Travels, etc.

About Us

Buses are the most reasonable and popular medium of transport as they have better connectivity to most of the places. We, Indian Coach are confidently pleasing the clients with a wide range of City Buses, School Buses, Mini Buses, Election Buses, Ultra Luxury Grand Travels, etc.

Established in the year 2000, we are one of the leading bus body Manufacturers, Exporters and Suppliers in Tamil Nadu, India. Further, we have a team of researchers who conducts extensive market surveys to collect data related to the latest development and analyze the new developments with respect to the resources available at the premises of our company. We constantly upgrade the standards for the development of innovative products and improvement of an existing range. Moreover, we align business to cleaner and safer production methods by laying down operational guidelines.
