We are counted as a renowned trader and distributor of HSS Small Cutting Tools. These products are highly demanded in the market owing to their longer functional life, optimum functionality and corrosion resistance.

About Us

Located at the industrial hub of **Mumbai (Maharashtra, India)**, we, '**Compete Trader**', are engaged in trading and distributing an extensive array of **HSS Small Cutting Tools**. Our entire range is procured from trusted market vendors, who use quality tested steel & other raw material to manufacture these products. The entire range is acknowledged for its high tensile strength, corrosion resistance and dimensional accuracy. Further, our range is suitable to be used for variegated applications in engineering, mechanical and other allied industries. We also undertake orders from our clients to supply these products in varied specifications. Besides, we have set up a state-of-the-art infrastructure, which includes warehousing unit and quality testing lab. Our warehouse is equipped with requisite facilities for safe and systematic storage of the entire range. Moreover, with the support of our well-equipped quality testing lab, we are able to measure the performance and efficiency of our entire product line. Due to our organized management, ethical business policies and advanced facilities, we have been able to garner a wide list of clients all over the country. We have been able to climb the ladder of success under the aegis of our leader, '**Mr. Gaurang Shah**'. Supported by his profound domain knowledge and marketing skills, we have been able to attain a distinctive position in the market.
