About Us

Concept Square is the real estate consulting venture of Concept Square and Money In Control, India. Our 10+ years of experience in the real estate sector in India has helped us develop our personalised consulting services, transparent approach and relationship management. Concept Square specialises in Corporate Real Estate Solutions, offering tailor made solutions to each corporate client serviced. We understand that providing transparency and professionalism from start to finish is a necessity, not a luxury, which is why we guarantee clear communication channels throughout managing the business relationship.
