# Coronet Engineers Private Limited

<https://www.indiamart.com/coronetengineers/>

We are a leading and trusted name in the distribution of Schneider make automation products like PLC, VFD, Inverter, AC drive Solar frequency drive with inbuilt MPPT, Eddy Current Drives, Auto Rescue Device etc.

## About Us

Coronet is a leading organization incorporated in the year 1998 by a group of experienced technocrats to provide THE REAL AUTOMATION SOLUTION. We in a very short span of time have emerged out as shining star from the crowd of today's competitive world.

We, "Coronet engineers Pvt. Ltd are System Integrator of Schneider Drive, HMI PLC, Soft Starter Programmable Logic Controller, Etc.

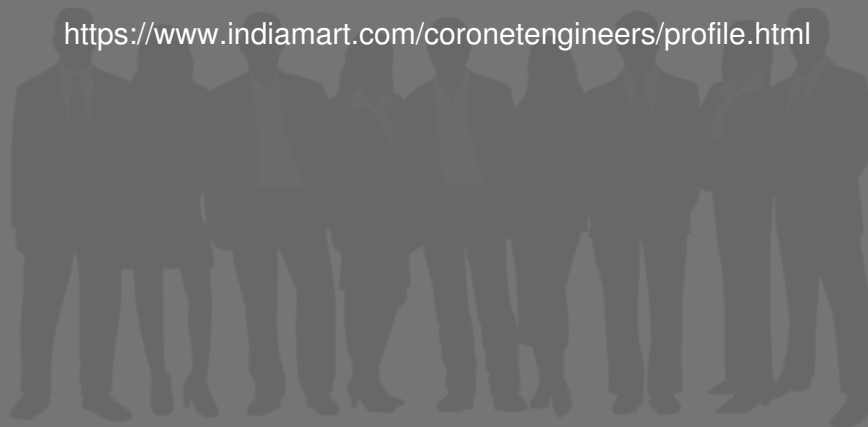

Coronet is one of the largest electrical panel (HT/LT) & Bus duct manufacturers in India and serving almost all kind of sectors like Railway, DRDO, MES, PWD, CPWD, Utility Power, Solar Sector, Process & Industries etc.

Our products are designed as per National/International Standards technical specifications by a team of technically qualified and well experienced engineers/experts using latest design techniques/software/tools. The company has a team of more than 60 no. of well qualified and experienced engineers to handle engineering, execution and manufacturing operations.

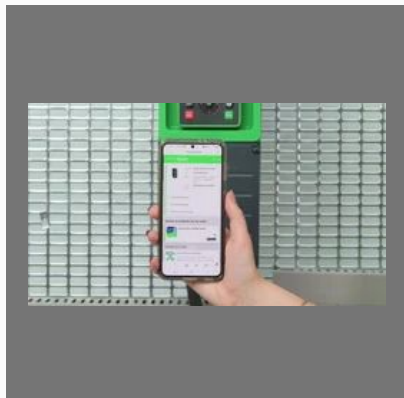

Our entire range of product is manufactured with state of art technology and type tested at CPRI/ERDA/Third Party Lab as per National / International Standards. In-house testing facility is available to conduct all routine tests with calibrated testing instruments as per applicable standards/specifications with ISO 9001-2015 certification for Quality and Environment Management System
