**Cpc Diagnostics Private Limited** is a dedicated provider of products and services to the Clinical Laboratory in India, Sri Lanka and Bangladesh. The experience and expertise that we have gained since we began in 1987.

## About Us

**Cpc Diagnostics Private Limited** is a dedicated provider of products and services to the in-vitro Diagnostics industry in **India, Srilanka, South Africa, Iraq, Bangladesh** and many more. The experience and expertise that we have gained since we began in **1987** have made us a respected and trusted organization.

We derive our strength through enduring relationships with customers, based on our commitment to deliver valuable products and timely end-user support. CPC's logo represents the five elements that combine to provide life. It is an expression of our desire to grow our business on sustainable values, contributing to the well being of our customers, suppliers, distributor partners and employees.

The success of **Cpc Diagnostics** owes a lot to its dynamic team of management, staff and advisers who together have worked to provide their customers with outstanding support be it Products, Post-Sales Service or Guidance. CPC collaborated with AL SYSTEME and is today successfully manufacturing 3 part Haematology analysers.
