Allow us to introduce ourselves as one of the fastest growing manufacturer and Exporter of Ball Point Pen, White Board Marker, Permanent Marker , Casserole, Rulers, and Childrens Books from india.

About Us

Allow us to introduce ourselves as one of the fastest growing manufacturer exporters of writing instruments and children Books from India Within a short span of time we have almost covered all the areas of children's learning titles and writing product. The range of our products consists of Childrens Books, Ball Point pens, etc. We have constantly improved our product quality, making the product inline with the international product standards thus resulting in our products being widely preferred by parents to teach their children and also recommended by teachers. Our new introductions will include the marker line where we intend to introduce the highlighters, whiteboard markers and the permanent markers Ever since our incorporation we are steadily growing in our exports to markets in Middle East, Africa & Russia. This has been achieved due to our flexibility to publish books in foreign languages like Arabic, Russian & French. Our enthusiasm is obvious and hopes to offer more titles in future and add many more in the coming years. We look forward to a positive response from you very soon. Assuring you of our best services at all times.
