Creative kitchen is not merely a catering service, but going beyond and adding value, safety standards, modern kitchen facility, along with a strong imaginative and "customer centric" approach that makes us unique.

About Us

An initiative of Creative Kitchen, to cater to our customer's palate not only in terms of topmost hygiene but towards a well balanced and nutrient rich meal, supported by in house dietetics. Using the most technologically advanced kitchen, hand-picked raw materials, competent staff and in-house dietitian advisory, applied at every stage, from production through to distribution, CK aim at providing great food which also appeals to the taste buds.
