We are a prominent distributor and supplier of a wide assortment of bathroom fittings, stainless steel bathroom accessories and sanitary ware. These products are known for their excellent finishing and trendy designs.

About Us

“Darshan Enterprises” was established in the year **2000** as a sole proprietorship businesses firm. Within few years of inception, we have marked our name in the industry as a leading **distributor and supplier** of a **Bathroom Fittings & Sanitary ware**. The products offered by us include **Water Tanks, Kitchen Sinks, Bathroom Fitting, Pipes & Fittings, Glazed Tiles and Stainless Steel Bathroom Accessory**. Our water tanks are durable and are available in various capacities. The kitchen sinks offered by us are popular in the market for their eye-catching designs and sturdiness. Owing to their excellent finishing and unique patterns, our range of bathroom fittings is highly demanded in the market. Pipe & Fittings offered by us are dimensionally accurate and have high tensile strength. Our Glazed Tiles are the first choice of our clients because of their high resistance to chemical and exotic designs. All the products offered by us are offered in a wide variety of sizes, designs, dimensions and colors. Entire business operations of our organization are headed by our mentor, **Mr. Himanshu Doshi**, who is enriched with thorough knowledge and rich industry experience. Under his excellent leadership, our team members work efficiently and give their best to achieve the goals of our organization. His sharp business acumen is one of the major reasons behind our phenomenal success in the industry. We put...
