We are one of the trusted Manufacturer and Exporter of a quality range of Dyes & Dyes Intermediates. These dyes are widely used to manufacture Cosmetics, Paint Coatings, Pesticides and Other Industrial Products.

About Us

Established in the year 1982, at Pune, Maharashtra, India, we “**DBS Chemicals**” are a well renowned manufacturers and exporters of a quality range of **Dyes & Dyes Intermediates**. In our product range we offer **Solvent Red 1, Solvent Yellow 56, Solvent Yellow 14, S – Base, Solvent Red 24 / Oil Red BB, Solvent Red 23, Fast Garnet GB Base / Solvent Yellow 3, Para amino Azo Benzene/Solvent Yellow1, Dyes and Dyestuff**. All our efforts emphasize on to ensure consistent high quality dyes with a commitment to offer regular and scheduled supplies. Owing to our transparent and ethical business policies, we have recorded a continuous increase in growth rate in terms of production and sales volume over the years. We believe in building long term associations with the customers. Keeping this in mind, we ensure that the dyes manufactured are of superior quality and offer the desired application results. Following this, these dyes are tested for exact composition and accurate pH values using the advanced testing equipment. These facilities have helped in catering to the needs of clients like **Bayer India Ltd., Sandoz India Ltd.** and **Vasant Chemicals Ltd.** Under the valuable guidance of our mentor **Mr. Devdatta Utgi**, we have been able to garner a wide client base. He always emphasize on transparent business dealings and have helped us in being associated with reputed names of the industry.
