Deem Sensing Technologies Pvt. Ltd.

<https://www.indiamart.com/deemsensingtechnologies/>

We are engaged in manufacturing, supplying and exporting of the wide range of Temperature Sensors, Thermal Cutoffs and many more. Automation System Services are also provided by us.

About Us

Deem Sensing Technologies Pvt. Ltd. came into being in the year 2007 and carved a niche as leading **manufacturers, suppliers, exporters of the wide range of NTC & PTC Thermistor, Electronic Thermistors, Home Appliances Sensor, Motor Winding Thermistor, Cabin Heaters and many more. We also provide efficient System Integration Services and Automation System Services. We export our products to countries like Europe and China.** Deem Sensing Technologies Private Limited was started by a team of experienced and qualified team situated in Bangalore. Products offered by us are widely used for temperature measurement, protection and control applications in HVAC, automotive, industrial, white goods, aerospace and medical sector. Adapting highest standard of work ethics along with excellent team work has given us confidence to deliver products, which are highly accurate and reliable. Owing to the high standard of quality, these products are being exported.

Engineering solutions of System Integration, Manufacturing Execution Systems (MES) and Automation Systems are provided by us. Our mission and vision is based upon delivering the excellent range through reliable, innovative and advanced technology based solutions. Technical expertise and managerial experience has enabled us to delight the customers by serving them the customized product range. We aim at sharing the benefits with the customers. As a result, best product at best...

ELECTRONIC THERMISTORS

MZ23 50RM PTC Thermistors
for Overcurrent Protection

MZ3 PTC Thermistors

PTC WMZ12A Thermistors for
Overcurrent Protection

PCB Mount Thermistors

TEMPERATURE SENSORS

Skin Temperature Sensor

Fuel Temperature Sensor

Engine Fuel Sensor

Air Charge Temperature Sensor

HOME APPLIANCES SENSOR

Air Conditioner Sensor

Washing Machine Sensor

Refrigeration Sensor

Dishwasher Sensor

HVAC SENSORS

Boiler Temperature Sensor

Pipe Clip Sensors

Fuel Gas Sensor

HEALTHCARE CATHETERS

Products & Services

Esophageal Catheters

Esophageal Catheters

Thermodilution Catheters

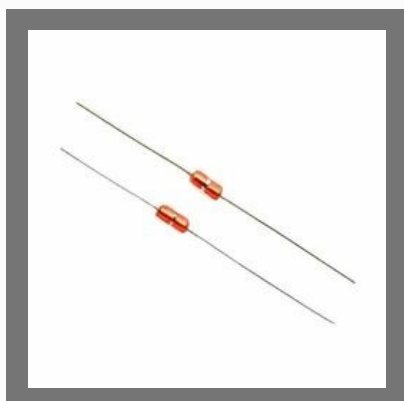

OTHER PRODUCTS:

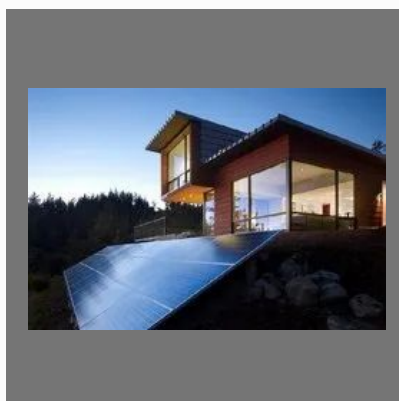

Temperature Measurement
Thermistors

Ambient Temperature Sensor

Axial Glass Encapsulated
NTC Thermistor

Rooftop Solar Offgrid System
(500w To 7kw)

Factsheet

Year of Establishment	: 2007
Nature of Business	: Manufacturer
Total Number of Employees	: 51 to 100 People
