About Us

Degeemarine Exports was established in the year 2003. We are leading Manufacturer and Exporter and Supplier of Frozen Cuttlefish, Frozen Squid, Frozen Shrimp, Frozen Ribbon fish, Prawns Sea Food etc. These are widely known for their diseases free nature, mouth-watering taste, high nutritional value, freshness, and longer shelf life in order to meet the requirements of the valued customers. We procured the offered assortment from some of the industry's best fish catchers.

who are selected on their market understanding and their past clients. We pack these products with the help of quality packaging material. It enables us to provide the entire ordered array within the stipulated period. The stripes that surround the shell of the black tiger give them the desired name. These shrimps change color when cooked such as the stripes change into black
