About Us

Established in the year **2013**, **Deherbs Health Clinic** is one of the leading firm involved in serving the society with a aim of ensuring healthy living by providing customized **Ayurvedic Treatments & Medicines**. We also provide **online consultation** to individuals and send medicine kit by courier at their end. Processed and formulated at the well facilitated and highly developed manufacturing unit of our vendors we procure these medicines from one of the most reliable, trustworthy and certified suppliers of the industry to maintain the quality norms and standards of our offered medicines. Moreover we make sure that only top class raw ingredients are used in the development of these medicines to enhance their effectiveness and reliability. We offer our clients **Ayurvedic Powder, Ayurvedic Capsule, Ayurvedic Oil**, All these are in tune with the medical industry set norms and quality principles. Highly demanded and are being consumed across the nation, these products are highly appreciated and accredited for their perfect formulation, safe and effective usage with no side effects. **Ayurvedic Treatments – World's most natural way of curing chronic diseases**. Basic Ayurvedic treatment involves modification of diet and lifestyle, use of natural herbs(medicines) in the form of – Tablets, Churan, Oils & Herbal Juices and a treatment called **Panchakarma**. Conventional medicine focus on the symptoms while Ayurveda treats...
