About Us

Incorporated in the year 1986-87, We Delta Oil Corporation are counted amongst the leading manufacturers and suppliers of a wide range of industrial lubricants, automotive lubricants, greases, marine engine oils and specialty lubricants. These are offered under the trade name of Delta. Our range is catering to the requirements of diverse industries such as modern automobiles, commercial vehicles, utilities, power plants, earth moving equipment and industrial machinery.

Owing to our well developed manufacturing unit, we are able to draw complete customer satisfaction and process quality range of lubricants. Our strong marketing, sales & technical team renders a prompt service backed up by on time delivery through our own transport. We adhere to various quality parameters in formulating greases and oils that are at par with international standard. Further, we also conduct monitoring both at pre-sales service and also at the post-sales service to acquire highest level of client satisfaction.

Led under the dynamic leadership promoter Mr H.N.Mishra, we are able to develop our company and build huge client throughout India. With his rich business acumen and sharp insight, we have been able to gain a remarkable position in the industry for ourselves.
