About Us

We introduce ourselves as the leading manufacturers & suppliers of All kinds of Industrial Rubber Rollers & Ebonite Rollers for the last 40 years in India. We have a long list of satisfied customers in the states of Punjab, Haryana, Delhi, Himachal Pradesh & All over India.

We want to approach the houses of repute to meet their rubber rollers requirements for Printing, Textile, Paper Mills, Card Board Mill, Steel Rolling Mills, Plastic Machine and Lamination plant. We have well trained staff so that our rollers is without any defect. The rollers are dimensionally stable so that they maintain their smooth finish surface even after long use.

Deluxe Rubber Industries (Regd.) lays a lot of emphasis on Quality. Rollers are checked thoroughly during and after they are processed. It is ensured that the Rollers are zero defect right from the first stage to the last stage in their manufacturing. The final inspection is carried out by technically sound and experienced engineers.

Deluxe Rubber Industries (Regd.) desires to secure long term relationships with customers by providing added value to the rubber products it produces. Our goal is to help customers increase profitability, improve delivery and provide a no hassle procurement of products they require.
