Demps Offshore Services

<https://www.indiamart.com/demps-offshoreservices/>

A professional company in providing total project crew management. We handle all aspects of HR & manage the complete manpower required for the project.

About Us

DEMPS Offshore is a company launched in the year 2006 with an ability to cater the offshore construction project.

With a vast wealth of precise business knowledge & expertise, we stand up for all human resource requirement of our esteemed clients.

Though relatively new in the market, we are not new to the business & are confident of rendering our esteemed clients services of a greater quality in all aspects.

The company owned & run by professionals who have been in the offshore / Shipping field for over 20 years & having exposure of providing offshore manpower for local as well as overseas projects. DEMPS offshore strives on providing precise & quality manpower in view to eliminate loss of time in interviewing candidates, attrition etc.
