

Denim City

<https://www.indiamart.com/denimcity/>

We are a leading manufacture and exporter of ready-made garments. We offer gents garments in a variety of designs and patterns. Serving both domestic and international market, we are well known for our quality and trendy products.

About Us

Established in 1998, we - Isuzu Garments - are one of the leading manufacturers and exporters of men's garments. Our range of ready-to-wear apparels come with distinctive designs, cuts and style. These cloths are made up of for different fabrics like cotton, polyester, georgette and are available varied colors. As garments demonstrate fashion, our products come from the designer creation. We use finest fabrics and quality accessories to manufacture our range. We also ensure to make that our range of formal and casual wears are in sync with up-to-date fashion trend. To meet the ever-increasing demand of global marketplace, we maintain a well-equipped production unit where quality raw materials are mingled with ultra modern techniques to produce comfortable and durable cloths. We serve national as well as international clients. Using the latest technologies in garment production, we effectively manage to meet the requirement of our clients within time.
