

About Us

Established in the **year 2007**, we, '**Deshmukh & Associates**', are engaged in manufacturing, supplying and exporting a vast conglomerate of **Safety Products, Safety Arrestors and Safety Showers**. These products are fabricated using premium grade basic material and components procured from vendors of an exceptionally high reputation. Post production, the final products are tested on predetermined parameters by our quality analysts to check their compliance with the international standards.

We are backed by a team of diligent professionals, which holds profound expertise and knowledge of this domain. Our experts are well versed with the complete requirements of their respective domains. Besides, they work in close coordination with each other in order to cater to the variegated requirements of clients. Apart from this, we accept payment through numerous modes such as D/A, D/P, Cheque and DD to simplify the complicated process of monetary transactions. We also provide the clients customized solution to cater to their variegated requirements.

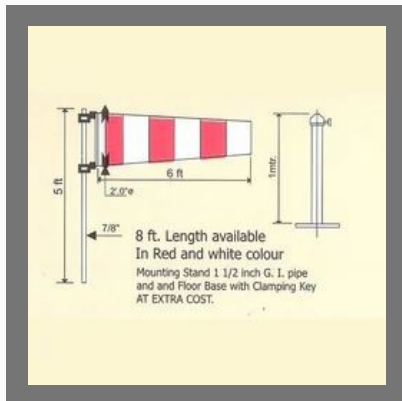

Our mentor, "**S.R. Deshmukh**", has always been a guiding and motivational force behind the organization's rapid success. His past academic record and sound business knowledge have helped us strengthen our position in the market.
