DESIGNER WATCHES PVT LTD WAS ESTABLISHED IN 1991 SUCCESSFULLY MARKETING ITS LABELS "D'SIGNER" & "ESCORT" WATCHES. FOR OVER 2 DECADES WE HOLD EXPERTISE IN DESIGNING & PRODUCING WATCHES FOR MULTIPLE BRAND & INDUSTRY SEGMENTS.

About Us

Established in the year **1991**, we, **Designer Watches Private Limited**, are amongst the well-known manufacturers and suppliers of a wide range of **Designer Wrist Watches**. Our watches are highly appreciated in the market for their unique designs, fashionable looks, water resistant body and anti-sweat straps. Due to our vast industrial experience and proficient professionals, we are supplying these products in variegated range of sizes, designs, patterns and as per the requirements of the clients. The infrastructure at our organization is segregated into several units such as quality, warehousing, designing and packaging. The division of our infrastructure helps us in functioning efficiently and thus, accelerating the rate of production. Our organization is also backed by proficient team members who assist us in offering a wide variety of watches to our clients. The team members work in close co-ordination with each other. The watches are delivered to the clients in packaging of bubble bag, cartons or cardboard so that the watches do not suffer any harm at the time of transit. We are headed under the able guidance of our owner, "**Mr. Neeraj Nagpal**", who possesses vast experience in the domain. With his years of expertise in the domain and leadership qualities, we have carved a niche for ourselves in the market.
