About Us

Selected Projects Design Elements Furniture Clients Projects Appreciation Contact Press
Consultancy Designers Guild is Devika Banerjee's tribute to Kolkata – motivating home grown talent and marshalling locally available resources to ever higher standards of creativity and excellence, consistently. After years of experience in India and Europe, what started out in 1998 with a one off assignment, is now a multidisciplinary practice associated with major corporates. Competitive realities tend to impose boundaries of cost, time and often, on freedom itself. To succeed notwithstanding, calls for exemplary levels of application, innovation and above all else - integrity.
