About Us

Designteam is a web division of Infotura Technologies Pvt Ltd which evolved as a creative lab to bring out the best in a group of fiercely creative young minds. We are based in Kochi, India and have been in the industry since 2004. We are passionate about work and all our projects are unique.

Designed in-house and tailored to our clients needs. We use talents and skills which can be used bring an idea to life on the Internet, Desktop, Paper or Mobile.

Specializing in custom design solutions including Web development, Software development, iPhone Development, WPF & Silverlight, Print Media and more, we find the beauty in every new challenge. Our process has been designed and proven to produce the greatest results in the shortest amount of time. We are committed to complete customer satisfaction and our goal is to delight you. We now work with a broad range of companies in India and throughout the world.
