

# De Soma Plastic Udyog Private Limited

<https://www.indiamart.com/desoma/>

We are engaged in **Manufacturing** and **Supplying** world class Sanitary Products to our patrons. We also **Trade** various products like **Personal Scale, Cloth Belts, Travelling Bags** and **Stationery Products**.

## About Us

Incorporated in **1990**, in **Sadar Bazar (Delhi, India)**, we “**De Soma Plastic Udyog Pvt. Ltd.**” take immense pride in introducing ourselves as the established **manufacturer** and **supplier** of quality assured **Sanitary Products**. The offered array is manufactured using finest quality PVC and modern technology in compliance with predefined industry norms. In order to meet the specific needs of our valuable patrons, we make these products available in several specifications. We also **Trade** various products like **Personal Scale, Cloth Belts, Travelling Bags** and **Stationery Products**. The offered assortment is known for their precise dimensions, durability, crack resistance, easy installation and light weight. To make a defect-free delivery of products at consumer's end, we check the entire array against numerous quality parameters. We also have simple payment options to facilitate easy transactions. Additionally, we provide these products within the promised time frame.

We are backed by an advanced infrastructural unit that is segregated into different divisions such as manufacturing, procurement, quality testing, R&D, packaging, sales & marketing, etc. The infrastructural unit is well-equipped with modern machines and tools in order to fulfill the bulk demands of patrons. The offered array is packed using superior quality packaging material to ensure its safety during transit. Following...
