We are one of the renowned manufacturers and exporters of different types of Machinery and Spare Parts. These machines are known for delivering reliable performance, sturdy construction, long functional life and low maintenance.

About Us

We, “**Deveshi Engineering**” are one of the renowned manufacturers and exporters of different types of Packing Machine & Spare Parts. The range of machinery offered by us is widely utilized and appreciated in diverse industries for unique features such as trouble-free performance, low maintenance, efficiency and high output. Machines manufactured by us extensively cater to the pharmaceutical and other allied sectors.

Backed by industry experience of more than ten years and in-depth knowledge, we are able to fulfill the specific requirements of our clients located across the **Indian Subcontinent, Middle East** and **Australia/NZ**. We have a team of engineers and technicians who have been strategically completing their tasks with great amount of precision and accuracy. Adhering to international standards of quality in our entire production activities, we are able to bring out excellence in the products and services. For the safe storage of our range of equipment and spare parts, we have developed an advanced warehousing unit.

We have '**Mr. Bhaumik Patel**' as our mentor, under whose proficient guidance we are able to meet the common organizational goals. He possesses vast knowledge and experience in the field of manufacturing pharmaceutical machinery.
