<https://www.indiamart.com/devgaurav-facility/>

We are a trusted name in the domestic market providing Security, Manpower, Gardening & House Keeping Services for hospitality & allied industries. Designed for individual needs, we provide quality, yet economical services in the industry.

About Us

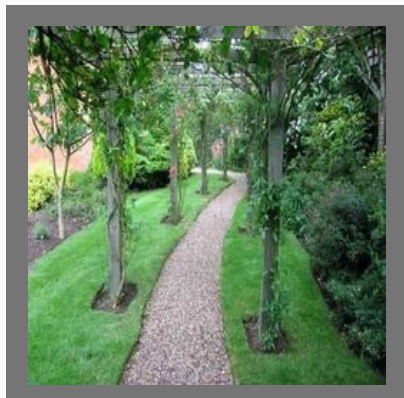

Established in the year **2009**, “**Devgurav Facilities Services Pvt. Ltd.**” is engaged in providing **Security Services, Manpower Services, Gardening Services, House-Keeping Services** for hospitality and allied industries. The organization practices customer-centric business and is counted among the trusted names in the domain. Our professionals leave no stone unturned to resolve all industry-related queries of our customers. We are of the opinion that business orientation, is essentially client orientation. Our team compromise on the quality of its service and is always ready to walk that extra mile to delight our customers. With a dedicated team of well-trained customer-care agents available to address industry related issues round the clock, we sure precede our reputation in the industry. With the kind of benchmark we have created, we have established a certain amount of comfort and trust with our clients. Our accuracy and effectiveness in providing services are acknowledged by our clients and the industry players alike. Time and again, we have proven that we are among the trend setters of the industry. Our mentor “**Mr. J.V. Patil & Mr. N. M. Gaikwad**” is a remarkable man with vast industry experience and inspiring business acumen. He has guided us in every stage of our business and motivated us to succeed in our endeavor.
