**DG Ventures** is a highly reputed manufacturing, supplying and trading of **Two-Wheeler Accessories**. These products are best in quality and supplied in the market in complete safe packing.

## About Us

With the team of experienced professionals our firm, **DG Ventures** is growing in the market since its establishment in the year **2010**. We are indulged in the manufacturing, supplying and trading of **Color Number Plate Frames, Acme Seat Cover, Acme Body Cover, Speaker Rings, Bike Buzzers, Bike Grip Cover**. These accessories are best in working and superior in performance. Showing longer life working, these products are finely prepared by skilled mechanical engineers of our firm. High quality material and latest technology are employed for the manufacturing of these products. Additionally, these are given extreme fine finishing with the use of sharp cutting tools and other accessories. These accessories are widely demanded in workshops and automobile industry. Professionals of our firm are highly engaged in offering high quality raw material that is completely safe to use. In order to meet complete satisfaction of the clients and perfection in the products, we have dealt with well known suppliers of raw material. Experts of our team, procure these products after complete inspection on quality basis. In addition to this, these products are light weighted and completely safe to use. Professionals make these products very precisely with the help of advance technology based machinery.

Under the guidance by our head **Mr. Deepak Golappanavar** we have made us well known in the market for trading high quality embedded vehicle accessories.
