About Us

Established in the year **2008**, **Dhandhanian & Sons** is a well-known organization engaged in **wholesaling, trading and supplying of Building Materials**. We supply a wide array of bricks including **Construction Cement, Construction Bricks And Blocks, Construction Sand, Wall Putty, Wall Paint, Plaster Of Paris, Lime Powder, Tile Grout And Adhesive, Waterproofing Material and Concrete Aggregates**. The product we have been offering is highly durable and best to be used in numerous industries including building and construction.

We, being a quality focused firm procure the entire array of bricks and allied construction material from industry topmost names, as they only use premium material in the entire manufacturing process. Our quality experts further perform quality check on the products before handover to the clients. In order to check the quality of the sourced products, we have maintained a quality test unit, which is well-equipped with all necessary and advanced machines and tools. After such a long process, now we ensure our clients that the entire array possess a vast array of feature including quality and hardness. In addition, the products are available in various shapes and sizes.

The entire process from procurement to delivering has been done under the strict vigilance of **Mr. Madan Dhandhanian (Proprietor)**. The expert guidance of our mentor and the coordinated effort of our team...
