About Us

Dhanush Enterprises has a nursery with a huge selection of different types of plant species. We came into existence to meet the rapidly growing demands of landscaping, tree planting and civil works. Over the years, we have gained immense experience and profound knowledge to serve our clients in the most effective way. The tremendous success of our company relies on our unswerving commitment, originality, ethical business practices, professionalism and loyalty. Our company has continued to grow from strength to strength by offering services in a professional manner.

We pride ourselves on providing customized services and answering any query, large or small.

Without compromising on quality and customer satisfaction, we offer plants at affordable rates, tailored to your budget. Regardless of the project size, we work smartly to accomplish services in such a way that they exceed your expectations. To control soil erosion, we undertake tree planting services all across.

We offer a large selection of fresh plants and bulbs for our clients to make a perfect garden or design an exotic landscape. A wide range of shrubs, grasses, marginal and water plants, fruit and ornamental trees, bedding and hanging baskets are available at cost effective rates. Give us an opportunity to create pollution free environment with our tree planting services.
