About Us

Established in the year **1978**, we “**Dhrijhans Industries,**” are reputed firm betrothed in **manufacturing, exporting and supplying** the best in class **Double Colour Grip And Levers, Bike Fighter Grips, Bike Fighter Lever Grips, Rubber Monogrip Bike Covers, Bike Grip Covers, Bike Lever Covers, Grip And Lever Cover Kits, Bike Grip Kits**, etc. These grips and covers are widely demanded by two wheeler manufacturing companies and are highly appreciated among our clients due to its excellent griping, smooth surface, easy cleaning and durability. Provided grips and covers are manufactured in accordance with industry set standards by using premium quality basic material that we sourced from the most genuine vendors of the market and the latest technology. These grips and covers are offered in numerous sizes, colors patterns and other such specifications, as per the different choices of the clients. Besides, we check these grips and covers on several parameters, in order to provide these defect free and flawless products at clients' end. Our valued clients can avail these grips and covers from us in bulk quantity within scheduled time frame. Under the leadership of our **CEO, Mr. Ketan Bhatt**, we have been able to touch the new heights of the success.

Situated at **Vadodara (Gujarat, India)**, we have built up an ultra modern and robust infrastructural unit that assist us in the production of premium...
