

Dhruvika Chemicals Trading Private Limited

<https://www.indiamart.com/dhruvika-chemicals/>

We are one of the most reliable and capable **chemical importing firms** in chemical business community. The philosophy of customer satisfaction enabled us to establish a solid business relationship with the suppliers and customers.

About Us

Established at **Mumbai, (Maharashtra, India)**, we “**Dhruvika Chemical Trading Pvt.Ltd.,**” are counted amongst the dominant **Importer, Wholesaler** of an assorted gamut of **Industrial Chemicals** like **Ammonium Chloride, Dicyandiamide (DCDA), Glycerin, Melamine Listen, Fully Paraffin Wax, Phosphoric Acid, Propylene Glycol, PVC Resin, Soda Ash (Inorganic Chemical), Sodium Hydrosulfite**, etc. The chemicals are sourced from the most reliable manufacture of the market, which make use of supreme grade raw material in the manufacturing process. Also, they process and formulate the chemicals using chemical compounds in accurate composition as per the international standards. Owing to purity, precise pH value and accurate chemical composition, our offered chemicals are widely demanded by our clients across the nation. Our organization strives to cater to the diversified needs of the clients. The vendors use sophisticated technology for processing the product range. We are also instrumental in offering customized packaging solutions to the patrons. Our vendors are selected on the basis of their standing in the industry, financial solidity and market credibility. Products supplied by our vendors are again tested by our quality analysts that they are in compliance with the standards and flawless. We are therefore in a position to meet our customers’ specific requirements by offering them toxic-free, skin...
