

# Dinesh Industrial Corp

<https://www.indiamart.com/dineshindustrialcorporation/>

We are a prominent Wholesaler, Retailer and Supplier of comprehensive collection of Industrial Cables, Area Lightings, Control Gear Boxes, Kitchen Appliances, etc. These products are procured from trustworthy and honorable vendors of the market.

## About Us

**Dinesh Industrial Corporation** vested in the year **1996** as the **Partnership** firm with its operational roots at **Noida, (Uttar Pradesh, India)**. We hold effectiveness in the **Wholesale, Supply** and **Retail** of different electrical components and associated products. Our wide product range includes: **Industrial Cables, Area Lightings, Control Gear Boxes, Kitchen Appliances, Clean Room Luminaires, Solar Street Light with Decorative Poles**, etc. We have gained appreciation of our countrywide spread customers in terms of repetitive assignments. Our extensive and strong business relations are a result of our product quality product that we provide to the market. We have gained a well-known industrial position in the market only due to inconsistent efforts of manpower and our ultra-advanced technologies.

Direct sourcing of products from honest and certified vendors of the market, enabled us to deliver faultless range to our respected customer at reasonable prices. Our offered products are designed and manufactured with high precision at vendors' premises by utilizing finest quality fabrics and progressive technologies in adherence with industry laid standards. These products are hugely acknowledged in the market due to their unique attributes which includes perfect finish, durability, elegant look, captivating design, easy installation, etc. In addition, we have set up a well-developed and spacious warehousing division where we store...
