## About Us

Dipali Kreations is an uninterrupted reflection of pure passion; passion for creativity, tradition and a dash of well thought modernity in styles. This passion is evident in the available choices of services and wide variety of products laid before the customers who trust Dipali Kreations. The list of products could be endless but the set of ideals that Dipali Kreations thrives on is few and focused. Dipali Kreations identifies with every woman's individual need for custom-made, unique and stylish accessories to carry along with well fitting garments that define her personality and tastes, complete in her spirit and charm.
