About Us

Divine Solutions specialises in short run digital printing, Offset printing, and Smaller Publications. Digital printing requires no film, no mess and no waste because digital printing is totally computer controlled. We are able to print each set of business cards on its own in as little as 1 hour! The quality is outstanding! . Digital printing offers great advantages for both large and small businesses. As a small business owner you may not want 1000's of business cards. Your phone number and address may change 5 times before you use them all up!. Forget having to pay hundreds of dollars just to achieve a professional look. You can have it no matter HOW small your business is. What normally happens when you get a new staff member, or a staff member leaves or changes position? You waste 1000's of business cards! Well, you no longer have to worry about that! Call us now and find out how Divine Solutions can help you save.
