About Us

Dr. Erlekar's Diagnostics Center, established in 2010, has rapidly emerged as one of the most technologically advanced diagnostic centre throughout the country. It is our mission to provide our patients with world class imaging technology in a caring and friendly atmosphere. **Our Goal:** Our goal is to provide patients with courteous and professional imaging services, within a warm and comfortable setting. Till date, our greatest two assets have been a 100% client satisfaction record and our state-of-the-art infrastructure.
