About Us

Dealing in a wide range of of top class quality Colour Masterbatches, Polymeric Additives, Speciality Polymers, Performance Master Batches, and Compounds; along with providing Turnkey Project Consultancy, Management Consultancy, etc...

With a vision to serve the plastic industry by providing world class Polymeric Raw Material, we, Drishti Polytech ventured out into this business in the year 2003. Since then, there has been no looking back for us. Just as our logo suggests "Solution for Every Need of Plastics", we are committed to cater to the diverse needs of the plastic industry with best quality products and solutions. We are engaged as an exporter, supplier, trader, and distributor of various products such as Colour Masterbatches, Polymeric Additives, Speciality Polymers, Performance Master Batches, and Compounds etc. In addition, we are one of the leading importers, indenting agents, product developers, technologists & consultants serving various segments of plastics processing industries. We are very much proud to be associated with virtually each & every sectors like extrusions, Injection Molding, Blow Moulding, Thermoforming & so on so many various plastic industries. Further, we also provide customized products as per the requirements of our clients.

We are the distributors / sellers / dealers / resellers of M/s Clariant Chemicals India limited. which is well known in this industry as one of the leading manufacturers of...
