We offer sublimation Digital Printed fabric on various polyester synthetic fabrics. In this technology, heat is being used for transferring image onto the fabric without any links.

About Us

Drishya Polyfills Pvt. Ltd is one of the most successful textile manufacturers in India; a country with great potential in the field of Digital fabric manufacturing. DRISHYA has acquired a versatile production chain to cater flexible orders in shorter lead-time. Being an industry-standard certificate holder, DRISHYA assures the perfect blend of quality and efficiency. DRISHYA has passed over 10 years of accomplishment, aiming to lead the competitive DIGITAL printed fabric market all over the world. It has arduously re-engineered each step of its value-chain to match the dynamism of the fashion market. DRISHYA has expanded its capacity, developed a skilled workforce and introduced integrated technologies, to remain globally up-to-date. It is truly an organization with a glorious past and a bright future. We offer sublimation Digital Printed fabric on various polyester synthetic fabrics. In this technology, heat is being used for transferring image onto the fabric without any links. We are equipped with latest International Digital Printing tools, which are operated by skilled and trained manpower. Our in-house designers strive hard to customize designs as per our customers. They are well versed with the latest trends in both domestic and international markets, which in turn enables them to eliminate complex issues like shimmering, blurring, reflection, superimposing, translucence and vibration during printing of fabrics.
