

DRK Engineers Private Limited

<https://www.indiamart.com/drk-engineers/>

We, DRK Engineers (P) Ltd. are leading Distributor for Industrial Pump sets, Electric Motors, Diesel Engines, LT Panels, VFD Panels etc and exporter that established in the year 1996, at Delhi, (Delhi, India).

About Us

We, **DRK Engineers (P) Ltd.** are important **manufacturer, trader, distributor and exporter** that established in the **year 1996, at Delhi, (Delhi, India)**. We are the biggest name in the market offering best array of pumps like **High-Pressure Pumps, Monoblock Pump, Control Panel, etc.** These pumps are created with the utilization of best quality machines, tools and skills to keep the quality of these pumps best. We have a team of professionals that are most qualified and talented in this realm. They use finest quality tools and expertise to keep it best and world class. They are easy to install and designed using best quality array of skills. These offered arrays of pumps are best in quality and smooth in installations. They are used in many industries and households purpose. They are deeply appreciated for many factors like quality assurance, cost effective rates, durability and cost effective rates. In order to manufacture this stunning quality collection of pumps, we have created a very large infrastructure unit that spreads over large area of land. It is spacious and well equipped with modern machines and tools. It comprises of spacious warehouse, well equipped production plants and team of experts that work very hard round the clock to manufacture the best range of pumps in effective rates. We have separate departments for each process in the organization. From initial stage of procurements of raw materials till the...
