Dry Air Equipment

<https://www.indiamart.com/dry-air-equipment/>

We are a trusted manufacturer, supplier and exporter of Compressed Air Products and Water Chillers. Our product range is acknowledged for construction, convenient operations, durable working.

About Us

Established in the year **2006**, **Dry Air Equipment** are one of the leading manufacturer, supplier and exporter of **Compressed Air Products and Water Chillers**. Our range includes **Moisture Separators, Air Filters, Refrigeration Air Dryer, Blow Molding, Water Cooled After Coolers, Online Chilling Plants, Industries Water Chillers and Automatic Drain Valves**. The raw material used to fabricate these products is of optimum quality, procured from the certified vendors of the market. Well-reckoned for their dimensional accuracy, sturdiness and durability, these products find extensive application in various chemical, pharmaceutical, automobile, petroleum, chemical, fertilizer, gas processing and co-generation electrical industries.

Owing to our state-of-the-art infrastructure, we have been able to meet the bulk requirements of our clients within the stipulated time frame. Our team of quality controllers stringently check the entire range ensuring its compliance with the international quality standards. Understanding the requirements of our clients, we offer complete customization solutions at highly affordable prices. With the aid of our wide distribution network, we assure timely deliveries to our clients spread across **Indian Subcontinent, North Africa and Middle East**.

We have been continuously progressing under the able guidance of our mentor, '**Mr. Vinod/Vinayak Gadkar**'. His profound knowledge and rich industry...
