About Us

Established in the year **1988**, we, “**Durga Hardware & Mill Store**”, are one of the leading organizations, engaged in distributing, trading, wholesaling, retailing and supplying an exclusive range of Abrasive Products and Power Tool Equipment. Under this range, we provide Rotary Hammers Drill With SDS-Plus, Cordless Drill/Driver, Kondicryl SV 80, Acrolite Fast Yellow 830S, M Seal and Fevicol MR. Available in different models along with specifications, these products are procured from the most reliable and renowned organizations, such as Bosch, Pidilite, Norton, Miranda, ZCC.CT and Orient Abrasives Ltd. All these companies are known in the market for their reliable products and admirable services. Our range of products is widely demanded by several industries and sectors, specially automobile and automotive. Conform to international quality norms & standards, all our products are widely appreciated by the clients for their corrosion & abrasion resistance, excellent performance, easy handling, longer functional life and low maintenance.

We have a spacious warehouse, which supports us in storing all the products as per their respective categories. Installed with latest technology and tools & equipment, it is manned by a team of warehousing experts, which utilize all the available resources for making the work-friendly environment inside. Apart from this, we have a team of expert quality controllers, which thoroughly checks all...
