Durga Pharma

<https://www.indiamart.com/durgapharma/>

We are one of the dominating suppliers of different types of pharmaceutical drugs, formulations and pharmaceutical branded products. We also provide services in domains of private label, contract manufacturing and testing of products.

About Us

Established at Village Samaypur, Badli, **Delhi (India)** we “**Durga Pharma**” are one of the prominent suppliers of **Pharmaceutical Drugs, Formulations and Pharmaceutical branded products**.

Moreover, we also provide quality services in the fields of **private label, contract manufacturing and testing** for our clients. We offer wide range of pharmaceutical drugs like **Tablets, Capsules, Syrups** etc., which are made with superior quality ingredients and free from any side effect.

Moreover, we also deal in supplying quality medical products like **Injections, Liquids, Diagnostic, Veterinary Products Test Kits, Soaps and Cosmetics, Eye Drops** etc., for our global clients. Our proposed medical products are well tested in laboratories and widely prescribed by doctors and healthcare authorities. We also supply the products as per our client's requirement in customized packaging as well. With a futuristic and strategic approach, our mentors **Mr. Rajesh and Mr. Nitin Jindal** have helped the organization to achieve a leading position in the domain of supplying superior quality pharmaceutical drugs and other healthcare equipments. Our mentors have poured their innovations in building up the organization.
