

# Eagle Electronics

<https://www.indiamart.com/eagleelectronics/>

We have established ourselves as one of the industry leading manufacturers, suppliers and service providers of Lighting and Power Backup Equipment. Apart from this, we also offer Hi-Tech UPS & Invertors and Mini UPS-3CFL-45W.

## About Us

Established in the year **1999**, we, “**Eagle Electronics, Bengaluru**”, have gained excellence in manufacturing and supplying an impeccable range of **Lighting and Power Backup Equipment**. Our product range has gained huge appreciation from clients due to its unmatched quality, superior performance and easy installation. Designed using quality-tested raw material & other components, our range is highly **durable and reliable** as well. These products meet the varying needs of many areas such as commercial, industrial and residential & Security sectors. Furthermore, we also offer after sales services related to our complete range. WE have supplied all Government undertaking Institutions like BEML, BHEL, Airport Authority, HAL. Also we have supplied IT & BT companies, Private sectors and security agencies etc. We have supplied State Government undertaking institutions like Tourism Departments, Tax Departments etc. Having a vast infrastructure, segregated into different units including design & production unit, testing unit, R&D unit and warehousing unit; we are able to design & manufacture an exceptional product range. All these units are equipped with cutting-edge machinery & equipment that ease the conduction of various processes up to a high extent. Further, we have appointed an adept team of professionals that is the base of our organization's tremendous growth. Our team strives hard to...
