Eagle Photonics Private Limited

<https://www.indiamart.com/eaglephotonics/>

Desirable status has been acquired by us by endlessly exporting, supplying and trading a quality array of Fiber Optic Tool Kit and many more. We have won the trust of large clientele by making reliable business dealings with clients.

About Us

With a vision to be known as the well-known name in industry, we, **Eagle Photonics Private Limited** were formed in the **year 2002**. The company is a **private limited firm** and is involved in **exporting, trading and supplying of Fiber Optic Tool Kit, Patch Cord, Fiber Optic Connector and many more**. As industry is developing at very fast pace as well as changes are taking place in technology, it becomes very important for every organization to remain in pace the same. Keeping this in mind, we have made the selection of vendors, who develop products using quality raw material and cutting-edge methodology. During the selection procedure, we have stringently examined financial stability, market position, domain expertise, quality delivery of products and timely delivery schedules of vendors. Strict quality control policies and guidelines recommended by the industry have been followed by us, which assists us supplying error free range in the market. Our company is growing incessantly in this competitive industry by performing all their operations under the skilled guidelines of **Mr. Rakesh Barya**, who is the admirable manager of Eagle Photonics Private Limited. With his sound domain expertise, years of industrial experience, managerial qualities and foresightedness, we have attained the respectable status in industry and garnered large clientele support. Having the support of an advanced infrastructural set-up, we are capably meeting...

FIBER OPTIC HAND TOOLS

Our Product Range

8PK-326 Proskit - Fiber Optic Stripper

JIC-125

F1-0016 - T-Style Stripper, 16-26 AWG

UAT-3000 Enhanced Universal Mid Span Access Tool

TEST & MEASUREMENT INSTRUMENTS

Our Product Range

F1-1315KIT - SM LSPM Kit

F1-8513HR - FIS Power Meter

AE210 - Deviser Power Meter

FTI3208 - FCST Power Meter

SPLICING MACHINES

Our Product Range

Sumitomo Z1C Splicing Machine

Sumitomo S1V Active Clad Alignment Fusion Splicer

Fiber Fox Mini 3S

Fiber Fox MINI-5C

SPLICING & CONNECTOR ACCESSORIES

Our Product Range

Sumitomo Z2c Fusion Splicer

RAGiS RT-10 Fiber Cleaver

CT50 - Fujikura Fiber Cleaver

Fiberfox MINI 50G - Fiber
Cleaver

OTDR

Our Product Range

OTDR - Viavi/Jdsu Smart 100AS

Yokogawa AQ1000 OTDR

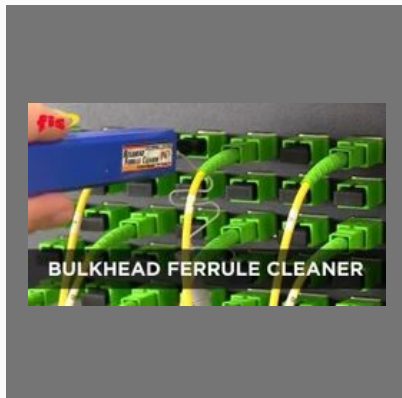

EXFO 715B OTDR

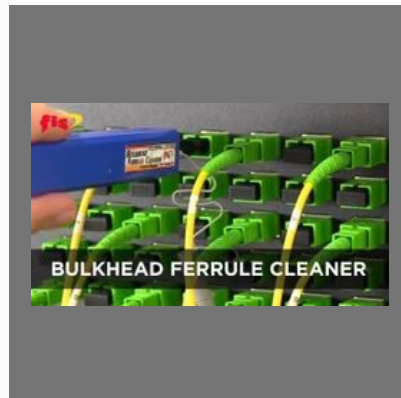

EXFO 720C OTDR (Dual Wavelength)

PEN TYPE FO CLEANERS

Our Product Range

F1-6716 - FIS 1.25mm
Bulkhead Ferrule Cleaner

F1-6715 - FIS 2.5mm
Bulkhead Ferrule Cleaner

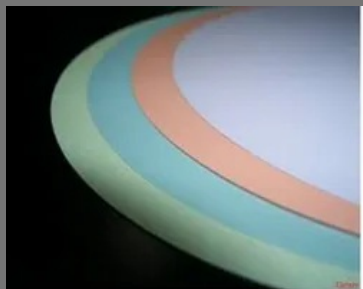

7104 MTP/MPO IBC Bulkhead
Cleaner

SFM-125 - Seikoh Giken Pen
Cleaner

POLISHING FILM

Our Product Range

Silicon Carbide SC Grish
Lapping Film

Aluminium Oxide AO Polishing
Film 50/Pack

Diamond Lapping Film
50/pack

Diamond Lapping Film D1-
8AF - 50/pack

FIBER OPTIC CONSUMABLES

Our Product Range

Fiber Optic Cleaning Solution

F1-0053FS MINI - Fiber Optic Cleaning Kit

Non-Woven Dry Wipes, 100 Per Pack (F1-6702)

2.5/1.25 mm Wrapped Swabs (100/pk)

OTHER PRODUCTS:

F1-0017 - Buffer Tube Stripper

Deviser PON Power Meter

Sumitomo Z2C

CT08 - Fujikura Fiber Optic Cleaver

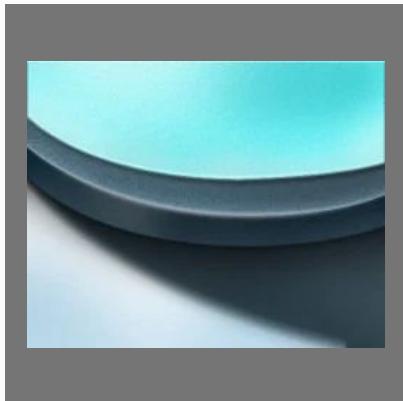

OTHER PRODUCTS:

EXFO 730C OTDR (Dual Wavelength)

IBC Cleaner H125 - 12910

Flocked Pile Polishing Film 50/pk

F1-1004 - Pre-Moistened Alcohol Wipes (50/pack)
