Service provider of transportation services, warehousing services, offshore solution services etc.

About Us

In the year 1983, EFC group diversified from small trading business to modest transportation activities by two family members. Over the last two decades, we metamorphosed into a team of more than 400 professionals spread across about 25 stations all over India. Most importantly, today we are the preferred and trusted service providers in the sphere of activities in India.

The 25 years of experience with steady growth, the EFC GROUP is committed to continue building our fine national and International reputation through the quality of our people, our work, our materials and services, focusing attention on specialized areas in the logistics environment.

In the brief of history of its existence, the group has evolved into multi-faceted service provider, actively involved in all areas of Shipping and Logistics.
