Samarth Electrocare Private Limited

<https://www.indiamart.com/electro-care/>

We are one of the leading suppliers and traders of a wide assortment of Electrical & Electronic Equipments. Our range of products is comprehensively appreciated for being durable, energy efficient and easy to install & maintain.

About Us

Established in the year **2003**, “**Electrocare**” is known as one of the leading suppliers and traders of a wide series of **Electrical & Electronic Equipments**. Our entire array of products is sourced from renowned vendors, who have earned huge reputation in the market for their qualitative delivery of the products. Some of our vendors include **Semikron Products EAPL Electrical Accessories, ABB Products, Autonics Products, OBO Bettermann** and **Finder**. We are known as a quality-oriented organization, which is committed to offer an unmatched spectrum of products to our customers. Our motive to acquire utmost quality standard is supported by the untiring efforts of our dexterous procurement and quality team. Procurement team ensures that we are procuring our products from eminent merchandisers while quality team concentrates on the quality of the procured products. Moreover, with the assistance of our viable distribution network, we make sure that all the ordered consignments are delivered on time. All of our operations are governed by our mentor, '**Mr. Harish Baghele**', who has always been the backbone of our success throughout our professional journey. He has motivated and strengthened us to achieve our business objectives. His able guidance and support of our team members have enabled us to garner a wide client-base across **Indian** market.
