# Electro Parts

<https://www.indiamart.com/electroparts/>

We are a prominent firm engaged in supplying Electrical Products and Door Fittings. These products are acclaimed throughout the country owing to their durability, precision-engineering and reliability.

## About Us

We, “**Electro Parts**” are a distinguished supplier of **Electrical Products and Door Fittings**. Our products are widely used in refineries, petrochemicals, machine building and processing industries. The quality management system of our firm has gained an **ISO 9001:2000** certification. Located at **Ahmadabad, (Gujarat, India)**, our firm has been legally verified as a Sole Proprietorship (Individual) firm. Our team of professionals works in great coordination with each other as well as with our clients so as to meet all the desired goals on due time. These professionals have high qualification and are well-versed with every pros & cons of the trade. Moreover, our infrastructure facility greatly aids us in carrying out all the business activities properly. Our products are stringently tested on varied parameters like durability, reliability and precision engineering. Owing to our quality products, we have been able to achieve huge clientele such as **Darshana Industries Private Ltd., Wago Innovative Connections** and **Trinity Touch**. We are efficiently mentored by our manager, '**Mr. Nayan N. Dholakiya**', who holds immense expertise in his respective domain. His brilliant managerial skills, transparent business dealings and immense domain expertise have enabled us to occupy a commendable status in the market.
